

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

4 | Patent Armory Inc.,

Case No. 2:23-cv-01921-CDS-DJA

Plaintiff

Order

V.

7 U-Haul International, Inc.,

Defendant

10 On November 20, 2023, United States District Judge Alan D. Albright granted the parties
11 joint motion to transfer this action from the Western District of Texas to the District of Nevada,
12 where defendant U-Haul International, Inc. is headquartered. ECF No. 11. Since that time, the
13 mail from the court to attorney Issac Rabicoff has been returned as undeliverable. See ECF Nos.
14 17, 23, 26. Rabicoff submitted an appearance of counsel on behalf of plaintiff Patent Armory Inc.
15 (ECF No. 2) and is the signed attorney on the complaint (ECF No. 1 at 12). It appears Rabicoff
16 no longer intends to participate in the proceedings in Nevada since Bayramoglu Law Offices
17 LLC entered appearances on behalf of plaintiff. ECF Nos. 18, 19.

18 Patent Armory is therefore ordered to file a notice indicating whether Rabicoff may be
19 removed from the list of its associated counsel, or Rabicoff must apply to appear and participate
20 in the case pro hac vice, by March 28, 2024.
